Elementary students who reside within two miles of their assigned school but do not have a pedestrian route that is free of hazards from home to school, as defined by Florida law, may also qualify for busing.

Meet the Teacher

Join us next week on Tuesday, August 8, 2023 from 4:00 - 6:00pm. Come and meet your child's school teacher for this coming school year.

Set Goals

Talk with your child about the grade level or courses they are enrolled in for this year.

Set achievable goals for each subject area.

It's important that students hear from a parent or trusted adult that they are expected to complete their homework, turn in assignments on time, follow the student code of conduct and make good choices.

Academic Progress

Parents have an important role in monitoring their child's academic progress. Student grades, missing assignments and assessment scores can be viewed on the OCPS Parent Portal in the Skyward Family Access and Canvas Parent apps at <https://parents.classlink.com/ocps>

For access to helpful district information year-round, bookmark:

Consent Forms

During the first two weeks of school, parents or guardians must indicate if they consent to OCPS using their child's image, sharing their child's information, providing their child with health services and their child's use of technology! To complete consent forms, log on to the OCPS Parent Portal from a laptop/computer and click on the Skyward Family Access app.

Communication

TalkingPoints

New for 2023-24, schools will be using text messaging to allow you to connect and chat directly with school staff and teachers in your preferred language. Watch for an email from TalkingPoints at the beginning of the school year.

Connect Orange

Updates and announcements from the school or district will be sent through phone and email. Opt-in to OCPS text messages by texting "Y" to 68453

Citizenship

Citizenship starts at home. The state standards for Florida aim to build a culture of resilience, including the following traits:

Grit | Perseverance | Gratitude | Personal Responsibility | Volunteerism | Critical Thinking | Problem-solving | Empathy | Citizenship | Honesty

Students are expected to demonstrate the above traits. When they do not, consequences are outlined in the Student Code of Conduct, available at codeofconduct.ocps.net

Talk to your student about resiliency and your expectations for their conduct at school.
